

Summer - No Vacation from Giving

The giving of our regular tithes and offerings is our duty and delight as maturing Christians. These offerings are also crucial to the ongoing mission of the congregation - they quite literally keep the doors open. So, please be reminded that your weekly giving is needed, even when you are away vacationing over the upcoming summer months. For your convenience, offering checks can be mailed to Salem Evangelical Lutheran Church, PO Box 38, Mount Sidney, VA 24467. Some folks choose to make up their offering the first week they are back - either writing one large check or separate ones for each Sunday. The choice is yours.
